

# Three Birds in New York

By Siji Karat Meethal

This is an asymmetrical shawl that can be knitted sideways and can be blocked to a crescent/asymmetrical triangle shape. You can enjoy the easiness of garter stitch and stripes and the fun factor of Japanese Short rows. This is an easy knit design. This is knitted with three colors of yarn. Cream/natural is the main color, grey is used for the Stripes and Short Row sections. Orange, the third color is used only for the bind off.

## Yarn Used

750 Yards/685 m of Worsted Weight Yarn

I have used 3 and half Balls of Isaac Mizrahi Craft: Isaac's Colorways Merino Blend Yarn: Ivory, Silver and Betty Colorways

This yarn is a blend of 50% Fine Merino wool, 50% microfiber Acrylic

Ball weight: 3oz/85 g

Yardage: 213/195 m per ball

## Knitting Gauge

22 stitches = 4 Inches after blocking

Gauge really does not matter in this pattern.

**Finished Measurements:** 80 inches long and 22 inches deep.

**Size Available:** One size

## Techniques and Stitches

Garter Stitch, Stockinette Stitch,

Centered Double Decrease: (Slip Two, Knit One, Pass Two Slipped Stitches Over (s2kp2)

## Notes

This shawl is designed with a center double decrease that gives a spine effect to the shawl. In the pattern, shawl is described as two sections, before and after the CDD Stitch.

Before the bind off we need to pick up and Knit 40 Stitches from the “before CDD section” to make the bind off edge Straight. Don’t confuse with the before and after CDD sections, hold the work right side facing to you, then determine the 2

sections. The right hand side is the before CDD section, and the left side is after CDD section.

I wanted a machine washable/ easy care shawl so I have used 50/50 Merino/ Acrylic blend yarn. If you use pure wool yarn for this shawl it will block out even more beautiful and you will get bigger size. If you are a person who like to play with colors, then you can use multiple colors for the stripe sections and short row sections.

Cast On 7 Stitches with MC

Setup Row: Knit all Stitches

Row 1(RS): K 1, KFB, CDD, KFB, k1 (7 STS on needle)

(We are decreasing 2 STS by doing CDD on the center of the work and at the same row we are increasing 2 STS by using KFB. CDD creates a nice spine effect for the center of the Shawl)

Place a marker in the middle of the right side of the work. It will help you to recognize the right side.

Row 2(WS): K3, Purl the fourth ST (this is the CDD Stitch, we are Purling the center Stitch for every wrong side row from here till we are Stop doing CDD), k3

Then Bind off with a contrast color of yarn (if you don't like to add contrast color then bind off with the same color yarn)

Use a stretchy bind off (like Knit 2 together through the back loop method)

Give a nice block to your finished fabric, you can block the bind off area with points because the extra fabric made by the short row sections will help to make points. Add a tassel or pom pom if you like. Wrap it around your neck on these winter days....

Enjoy Your Shawl ...!!!!!!

Stay Warm and Cozy!!
